About the artist & the release

After 7 years spent as **The Red Roosters**' frontman, one of the youngest italian rock' n 'roll band that reached popularity thanks to their EP "*No Disgrace*" - produced by **Mauro Pagani - Jacopo Cislighi** is now ready for his own solo project to take off.

As **Davys**, he recorded a 10-tracks LP called "*This Is Where I Leave You*", surrounding himself by great musicians and old friends.

Long-experienced film director **Pierantonio Micciarelli** invested his time and creativity in the making of his debut single videoclip, "*Down South*", a **The Family Film Milano Production**.

To be released in October 2017, "*This Is Where I Leave You*" perfectly summarizes **Davys**' idea of music, based on the melting pot between sound's roughness and lyrics' introspection.
