AMBULANCE is the musical project of singer and guitarist **Andrea Artistico**, a Neapolitan who has been living in Belgium for almost 10 years.

The first compositions are obviously influenced by the music he used to listen to as a teenager : **Jeff Buckley**, **Radiohead**, **Travis**, just to name a few. For years, with various line ups, the project has been brought to Brussels's bars, concert halls and cultural institutions.

In 2015 the awareness of having to rely on his own motivation leads him to record a solo record: he does so in *June in Naples*, where **Luigi Scialdone** takes him under his protective wing and becomes his record producer.

If "*Every Man For Himself*" was characterized as a mix of indie-pop and low-rock sound, be prepared to also hear some folk in his forthcoming EP : "*Give It a Try*", coming out this fall under **Bulbart label**.
