"*Ulrich*" is the new single produced by **Kill Your Boyfriend** out on **December 1, 2017** for the Russian label **Other Voices Records**.

The song comes from the need that each of us has in seeking his own role in modern society, who, like a lion, devours everything.

The B-side "*Werner*" is a slope of EP "*Ghosts*" as it deals with the theme of ghosts generated by past mistakes. They reach you whenever and wherever strangulating you slowly until death.

Kill Your Boyfriend are **Matteo Scarpa** and **Antonio Angeli**.

- _All songs written and produced by **Kill Your Boyfriend**.
- _Recorded by **Tommaso Mantelli** and **Alberto De Grandis**.
- _Mixed and mastered by **Tommaso Mantelli** at **Groove Studio**, Treviso, Italy.
- _Artwork by **Oleg Galay**.
