

Almagest!

Fun House Mirrors

About the release

Fun House Mirrors is the fourth album by **Almagest!**. Released four years after their last release *Messier Objects* (Tourette Records 2013), the band has returned with a drastically new sound. True to its title, *Fun House Mirrors* is far richly textured and arranged than the piano-led compositions of its predecessor. It consists of truly cinematic compositions, written from a fabric of sensual and disturbing dreams and – true to the band's alchemical nature – sung in a variety of European and invented languages.
