***“We’re all immigrants in our own countries.”***

**IMMIGRATION UNIT** is an eclectic Alternative Rock band from Pangea. Hypnotic, reflective and sometimes controversial, IU songs weave together the rhythmic textures and sounds of electronic music with old school guitar-driven-rock riffs, the classic aura of a grand piano and roaring-detuned synthesizers, bound together with unorthodox, dreamy, introspective lyrics.

Pop, rock, folk and electronic music are all blended together, to shape a universal yet multi-layered and emotive songwriting style. The band recently published the single *WASTING MORNINGS*, right away followed by a release tour in Japan and in Latvia.

On **June 1st 2018** IMMIGRATION UNIT will release the official videoclip for the single *WASTING MORNINGS*, anticipating the debut EP “*SOFA HEROES*”.

The 5 tracks EP will be available on **June 29th 2018** in physical and digital formats and will contain the new single *SOFA HEROES*, the previously released *WASTING MORNINGS* and *FAR INSIDE - CYBER LIVE SESSION* and two remixes:

One by **MANUEL GAGNEUX** - frontman of the worldwide acclaimed rock band **ZEAL & ARDOR** and founder of the project **BIRDMASK**.

The second one by **ARTHUR HNATEK** (Berlin producer and drummer for **TIGRAN HAMASYAN TRIO**).
