

Maxim

Sunny Sunday Morning

“A pure 19-year-old talent comes with a single that combines his Paris to the Los Angeles of Flying Lotus.”

Rolling Stone

19 years old singer, songwriter and musician, **Maxim** started to make his first songs at 16, as an independent, between Paris and its suburbs at Grandeville, Dojo and Orfèvre studios. This new project has been entirely recorded and produced in Los Angeles by **B\$C**, under the label **1178records**.

This new EP, mostly influenced by the Jazz, NuSoul and Hip hop is blend of electronic beats, Trap, Funk crossing pop melodies. **Maxim** clearly wants to make feel the both identities of this project : when Paris meets California under his vibe laidback and urban, modern and mature.

Maxim released a stunning video for the song “White Bass” on July 27 2018 Via **Rolling Stone** in Italy, **Notodo** in Spain, **Threshold** in Portugal, **Kulturbloggen** in Sweden and **Musikblog** in Germany.

Maxim will be performing live, singing and playing guitar and keyboard at the loop sequencer.
