About the release

“*High Five*”, Luis Francesco Arena's new effort is the story of the meeting with new bandmate **Nicolas Cueille** (**Room 204, Seal of Quality, Pyjamarama**) but also the discovery of a new instrument, the *Bass VI*, a real revelation, and the main tool for composing an album captured by **Benjamin Mandeau** at **Cryogène Studio** (Bègles - FR).

After a 6-year Hiatus, **LFA** comes back with a record full of encounters and personal stories, revealing the evolution of a man through the discovery of fatherhood.

The music has evolved towards a more minimal but more complex shape, strong of rhythmical shifts, ruptures, highlighted by sober arrangements and an assumed live sound.

Everything oscillates between this singular voice recognizable among a thousand, and this agitated pop music, refined, almost chiseled by the two consorts but still fluid.

“*High Five*” Luis Francesco Arena's fifth album, is an enlightening return, a simple beauty set to the service of complex emotions.
