About the release

Inutili from Teramo, Italy has been in constant progression over the last 7 years. Their latest move is the addition of saxophone player **Luca Di Giammarco**. His playing is smooth and soulful at times and aggressive as a hungry alligator when the band goes fast and hard.

As a new edition to the band he plays on two of the songs, they each clock in at just under 20 minutes. Luca's has a few solo parts, they make me think of "*a love supreme*". Suddenly though the floor drops out and the band is on a tear, madness, songs within songs.

The band's sixth album "*New Sex Society*" also has some long-form pop songs, "*Singing Dogs*" clocks in at 4:05, "*Space Time Bubble*" at 8:39.

Due out on **September 20, 2019** on New Jersey's **Aagoo Records**, "*New Sex Society*" will be available in CD in its entire version including 7 tracks and in LP including the 3 first tracks of the CD version.
