

Mofongo

Coco Soco Asoco

Jose Ayala (Mofongo) is a composer and improviser based in New York, NY. Jose is trained as a classical guitarist and studied composition with **Joe Maneri** and **Lee Hyla**. His current approach is primarily based around improvisations on modular synths.

The recordings in *Coco Soco Asoco* are a result of a daily practice where new configurations are setup and recorded each day. These patches are explored and tweaked and then several takes are recorded live to two track without overdubs or editing.
